## ABOUT DPU

---

Dhurakij Pundit University (DPU) was founded in 1968. It is one of Thailand's leading private universities recognized by the international academic community. DPU offers Undergraduate and postgraduate Degrees with Thai Programs, International Programs and Chinese Programs. We also offer professional training programs. Our vision is we will be a major driver in new business transformation and AEC + China integration

The university gives you the important communication, creative thinking, problem solving, IT and teamwork skills that employers are looking for.

## IMRF College

IMRF, one of the world's leading research organizations, popularly known across the global frontiers of the realm of education and research is a non-profit academic and research prefecture prestigiously borne as an entity of government registered body Estd U/S 35 of 2001, Govt of A.P, India and NITI Aayog, Govt of India. Performing several key positions in centres of higher learning at home and abroad towards establishing a pristine new knowledge-society. Established in 2002 as Grace Academy in no time as Grace Evening College and in the year 2012 acquired a new name as International Multidisciplinary Research Foundation in short IMRF Institute of Higher Education & Research and promoted as IMRF College of Global Excellence with Accreditation from DRPFA, affiliated to European Diplomatic University, Republic of North Macedonia. By working collaboratively with world-class academic portals for innovative and entrepreneurial spirit, IMRF building enduring peace in the world, which is why the Tag Line of IMRF goes to be 'Choose to be huge'.

## INTRODUCTION TO THE CONFERENCE

---

The 'International Conference' spanning over 2 days is meticulously designed to bring together renowned academicians, honoured researchers from distinguished institutions, Industry leaders and practitioners as well as doctoral students. With the greatest minds across the globe, a simulation will be developed on 'Growing Research Synergies' to deliberate its influence on research & sustainable development, language systems and the world economy. The conference will provide a unique platform to the participants to evolve their ideas and cogitation as they listen to a well-crafted panel discussion along with thought-provoking speaker sessions.

## OBJECTIVES

- Bring together professionals in the field of Sciences, Humanities, Languages from around the globe with the purpose of encouraging innovative ideas and sharing diversified knowledge and international experiences.
- Provide indispensable exposure to the audience promoting the highest utilization of research knowledge.
- Provide a key platform for Renowned Academicians, Research Scholars and Industry Experts to disseminate knowledge and present ongoing research through scholarly publications.
- Facilitate research development of all participants and provide opportunities to network and build connections with professionals with shared interests.
